PURSUANT to the provisions of section 4 of the "Optometry Act," being chapter 187, R.S.B.C. 1924, as amended, the Honourable the Administrator in Council has been pleased to approve of the following regulations, made and passed by the Board of Examiners in Optometry on the 15th day of June, 1927:—

REGULATIONS OF THE BOARD OF EXAMINERS IN OPTOMETRY.

1. All previous regulations of the Board are hereby rescinded, and the following regulations, together with such amendments (if any) as shall be approved from time to time, are hereby declared to constitute the regulations of the Board pursuant to the "Optometry Act."

2. (a.) The course of training and education for those desiring to enter the practice of optometry shall consist of a course of not less than eight hundred and fifty hours in each of two years, with a maximum of five hours a day, in a school approved by this Board, and such course shall include: Elementary mathematics, geometrical

optics, practical and theoretical optics, anatomy and physiology, physiological optics, theoretical optometry, practical optometry, diseases of the eye, eye hygiene, manufacture and grinding of lenses, and clinics:

Provided, however, that students who before the date of the approval of this regulation have registered for and begun a course of one thousand hours during the term of one year heretofore required shall be entitled to take the examinations of the Board after completing such course.

(b.) The candidates for entrance to such school shall have completed three years in a high school in British Columbia or its equivalent.

3. In case a person seeking to qualify to practise as an optometrist has not, because of illness or other justifiable cause, taken or completed the hours of instruction prescribed herein, the Board may, on being satisfied with the educational progress of such person and on such terms as the Board may prescribe, excuse not more than one hundred and fifty hours in any year of instruction.

4. The Board, on application by any person seeking to qualify to practise as an optometrist, may in special cases, and upon such terms as the Board may prescribe, permit such person to take or complete the prescribed hours of instruction during a period longer than two years.

5. Any person who has been carrying on the practice of an optometrist or is qualified to do so in any Province of Canada or any other country may make application to the Board for examination, and such application shall be accompanied by licences, certificates, or such other evidence of qualification as the Board may require, and the Board may grant such application on such terms as it deems just.

6. The applicant for examination to obtain a certificate of registration as an optometrist shall furnish to the Board the information indicated in the form of application furnished by the Board in the Form A hereto. Such application, accompanied by the fee for examination, shall be filed with the Secretary of the Board at least one month before the first day of the examination.

7. (a.) The fee for examination shall be fifty dollars (\$50), payable in advance.

(b.) The fee for any supplemental examination as provided in Regulation 23 hereof shall be five dollars (\$5) for each subject, payable in advance.

(c.) In the event of a candidate failing to pass his examinations, the fee payable by such person for any subsequent examination shall be twenty-five dollars (\$25).

(d.) Upon a candidate successfully passing his examinations, a certificate of registration giving such candidate the qualification to practise optometry in the Form B hereto shall be granted by the Board.

8. Every certificate of registration or exemption issued under this Act shall be subject to renewal annually, and the holder of every certificate of registration or exemption shall, on or before the first Monday of January in each year following the year in which the certificate was issued, pay to the Board a renewal fee of fifteen dollars (\$15) and obtain from the Board a renewal certificate. Upon receipt of the renewal fee pursuant to this regulation, the Board shall issue to the holder a certificate of renewal of his certificate of registration or exemption in the Form C hereto.

9. If any optometrist or any member of any firm of optometrists, either in his own name or in the name of any member of his firm, or in the name of any firm by whom he is employed, or on behalf of any firm by whom he is employed, practises optometry in the Province without having taken out a renewal of his certificate of registration or exemption for the current year, as directed by Regulation 8 hereof, he shall be deemed to have committed a violation of the law, and shall be liable to have his certificate of registration as an optometrist revoked by the Board for violation of the law, pursuant to section 11 of the "Optometry Act."

10. (a.) If any optometrist fails to obtain his renewal certificate, as provided in Regulation 8 hereof, the Board may grant such person a renewal

certificate upon payment of the renewal fee of fifteen dollars (\$15), and a penalty of five dollars (\$5) additional, up to such time as proceedings may be commenced against him under section 11 of the "Optometry Act."

(b.) The Board may likewise grant a renewal certificate to any such person after proceedings have been commenced against him under section 11 of the "Optometry Act," provided such person shall pay to the Board in advance the renewal fee of fifteen dollars (\$15), the penalty of five dollars (\$5), and the costs of the Board in such proceedings, as shall be fixed by the Board.

(c.) This regulation shall not apply to any person whose certificate of registration has been revoked by the Board.

11. Notice requiring the payment of the renewal fee shall be sent to the last-known post-office address of each and every optometrist in the Province not later than the tenth day of December of the year immediately previous to the year for which the certificate is to be issued.

12. The Chairman of the Board shall preside at all meetings of the Board. He shall call all meetings of the Board. He shall countersign all cheques drawn by the Secretary-Treasurer; call special meetings of the Board upon written request of two members of the Board, stating the reasons therefor; approve all vouchers paid by the Secretary-Treasurer; sign the minutes of each meeting when approved by the Board; and act generally in accordance with the requirements of his office for the proper carrying-out of the duties of the Board; and in his unavoidable absence from any meeting the members of the Board may choose one of their number to act as Chairman at such meeting.

13. All resolutions presented to the Board shall be in writing and signed by the mover and seconder.

14. The order of business of meetings of the Board shall be: Roll-call; reading minutes of previous meeting; business arising out of minutes; correspondence; reports of committees; unfinished business; new business; accounts.

15. The Secretary shall be the Treasurer of the Board, and shall furnish a bond to the Board in a form satisfactory to the Board, in such sum or sums as the Board thinks fit, with a condition that the Secretary-Treasurer shall well and faithfully carry out the duties of his office and account for and pay over to the Board all moneys he receives on behalf of the Board, and such bond and conditions shall be in such form as the Board shall approve; and such bond may be sued upon by the Board in the names of the members of the Board in the event of any default or wilful misconduct of the Secretary-Treasurer. 18. All cheques shall be signed by the Secretary-Treasurer and countersigned by the Chairman of the Board. The Secretary-Treasurer shall receive such compensation for his services as the Board may determine.

19. The members of the Board shall receive the sum of twenty-five dollars (\$25) each for preparing and examining the question-papers at each examination and ten dollars (\$10) each for each day's actual attendance at such examination, in addition to the expenses allowed by section 10 of the "Optometry Act."

20. (a.) The examinations shall be conducted by one or more members of the Board or by any person appointed by the Board; but the question-papers shall be examined by the members of the Board preparing them, each member examining the paper he has prepared. The Board shall finally decide upon the value of each paper.

(b.) If a candidate fails to attain a general average of seventy-five per cent. after he has passed in all subjects he shall be deemed to have failed; and failure to attain sixty per cent. in any subject shall be deemed to be a failure in that subject; provided that if the candidate shall fail in not more than two subjects, his general average as aforesaid shall not be computed until he has tried and passed his supplemental examinations in such subjects. If in such latter event his general average shall be less than seventy-five per cent. he shall be deemed to have failed in his examinations.

21. The examinations shall be held at such time and place as the Board may determine.

22. An examination in any subject shall consist of at least fifteen questions, and not more than ten questions thereof shall be answered by the candidate.

23. Failure in more than two subjects shall necessitate taking the whole examination over again. In case of failure in one or two subjects only, the candidate, upon application and payment of fees therefor, shall be permitted to take supplemental examinations in such subjects without further examination in other subjects.

24. For the maintenance of an ethical standard and for the government, discipline, and honour of those engaged in the practice of optometry, it is hereby provided that no optometrist, either in his own name, or in the name of any member of his firm, or in the name of any person or firm with whom he may be employed or associated in the practice of optometry, shall advertise charges or fees in respect to the practice of optometry or prices of glasses manufactured or adapted for the purpose of correcting defects or abnormal conditions of the human eye, in any newspaper, circular, card, booklet, magazine, sign, or writing of any kind. Any optometrist who advertises his charges or fees or his prices of glasses manufactured or adapted for the purpose of correcting defects or abnormal conditions of the human eye in the manner prohibited herein shall be deemed to have committed a violation of the law, and shall be liable to have his certificate of registration as an optometrist revoked by the Board for violation of the law pursuant to section 11 of the "Optometry Act."

25. On the third Tuesday in the month of February in each year the Secretary of the Board, under the direction of the Board, shall prepare and shall certify, under his hand and the hand of the Chairman of the Board, a roster setting forth in alphabetical order the names and giving also the place of business of all optometrists registered under the "Optometry Act" who have paid their annual fees for the then current year and have had issued to them renewals of certificates of registration, and shall forthwith mail a copy of the said roster to each optometrist in the Province entitled to practise under the "Optometry Act"; and the absence of the name of any person from such roster shall be prima facie evidence that such person is not regis-

tered or entitled to practise under the "Optometry Act."

26. Notwithstanding any other regulation hereof, the Board may, upon such terms and conditions as it shall in its sole discretion decide, issue a certificate of registration to any applicant whose certificate has been revoked pursuant to section 11 of the "Optometry Act"; the fee for such certificate shall be twenty-five dollars (\$25), in addition to the penalty of ten dollars (\$10) therefor provided by subsection (2) of the said section 11 of said Act, but such certificate shall not be granted unless the said fee and penalty are paid in advance, together with the costs of the Board (as shall be fixed by the Board) in the proceedings wherein such applicant's certificate was revoked.

27. In the event of any person filing a charge or complaint against any optometrist for investigation under section 11 of the "Optometry Act," and such charge or complaint is dismissed by the Board at the hearing mentioned in the said section 11, or is withdrawn prior to such hearing, the Board may collect from the person filing such charge or complaint all the costs to which the Board has been put as the result thereof, and such costs may be collected by the Board by suit in the names of the members of the Board.

28. Three members of the Board personally present shall constitute a quorum at any meeting of the Board, which has been called after three days' notice in writing to each member of the Board, stating the time and place of the meeting.

29. The Board shall manage and dispose of all moneys and funds coming into its hands in such manner and for such purposes as it shall deem most advisable for the study, advancement, betterment, and regulation of the practice of optometry in the Province, subject always to the provisions of the Act in that behalf. The Board may invest its surplus or reserve funds in bonds of the Dominion of Canada or the Province of British Columbia, but not otherwise.
